News and Notes

- **Welcome to this St. Patrick's edition of High School Happenings!** As we move through this time of uncertainty as to what each new day, if not hour brings, I AM certain of the care and compassion this school and community has for each other. I am thankful for the patience of everyone as each day brings new

communications from the federal and state governments as well as the schools, changing plans and procedures to deal with everyday life. I am thankful for the students who truly are concerned about their learning... contacting teachers so quickly on Monday to access their lessons because staying on

pace for success matters. I am thankful for the staff who put special plans and lessons together in preparation for a closure and have provided opportunities now for students to enrich their learning. I am thankful for the support staff who are now turning to serving our students and their families while out of school, with food and supplies. **Thank You Fieldcrest... You are all making a difference!**

- **The State Mandated School Closure** has created some questions as it relates to upcoming events and activities. Please continue to check your email, webpage, 8 to 18 messages and other social media sources to stay informed. At this time, the only activities postponed or cancelled are those during the school closure. However, be aware that activities such as sporting events may require transitioning with practices before games may be played. Stay Tuned!!!

- **The College Board** has cancelled the National Testing Dates in March and May for SAT Testing. We will update you when a decision has been made regarding the April 14 state assessment date.

SAT

- **Congratulations to Garrett Nix** on qualifying for the Country Companies Shootout at the IHSA State Finals. Unfortunately the finals were cancelled due to the Coronavirus concerns. Garrett also helped lead his team to the Class 2A Super-sectional this year. We are proud of your success Garrett!

- **FHS Drama needs YOU!** For more information, please check out page 2 of *Happenings*.
