Hey Fieldcrest!

We still have some extra yearbooks available for sale. They are a steal at 50.00! Stop in the office and Mrs. Uphoff can help you out. If you preordered or asked to have one set aside for you, your books are in the office too. #FHSyearbooksarehere

This Week's Spotlight is on...

McKoy Allen

Once again, Fieldcrest wishes to spotlight and congratulate FHS Golfer McKoy Allen this week. Koy participated in the IHSA Sectional Golf Match in Tuscola on Tuesday, placing 8th overall. He finished the day with a score of 84. His score would have qualified him for advancement to the state meet if not for the limitations due to state health restrictions. FHS is proud of you Koy. Thank you for representing our school!

Have a Happy and Healthy week! God Bless!

William Lapp, Principal

News and Notes

- **Fieldcrest High School** will be hosting Parent-Teacher Conferences on the evenings of Tuesday, October 27 and Thursday, October 29 from 4-7:00 each evening. This year, conferences will be set up virtually through a Zoom meeting. As in past years, parents can set up conferences through the online appointment and scheduling application, **Sign Up Genius**. The system will allow parents the ability to set up and organize appointment times for teachers on their own. When signing up, teachers who already have Zoom meeting links will be listed. The system will email finalized schedules to parents. Staff without a Zoom link listed will send out the links at a later date. To sign up, please select below:

- **The FHS Cross Country Teams** participated in the HOIC Cross Country meet on Thursday October 15. The Knights had strong races with the boys finishing 4th behind three teams ranked in the top 25 in the state. Mason Stoeger placed 7th and Christian Skaggs 16th to place in the top 20. Six of the eight racers ran lifetime bests. They go into the St Bede regional with the number one ranking. The girls had four of the five racers record lifetime best in their seventh place finish. They were lead by Clare Phillips in 39th and Allie Wiesenhofer in 40th. They go into Regionals hoping to improve on their 9th place ranking. The teams are preparing for the IHSA Regional on Saturday, October 24 at Peru-St. Bede High School. The girls run at 9:00 am and the boys run at 12:00. Good Luck Knights!

- **The FHS Media Club** is selling 2020 graduation CD's for \$10. If you are interested in supporting media and wishing to have a copy, please contact Dr. Pulley at pulley@unit6.org.

- **The FOCUSED group** is selling wrist bands at Fieldcrest High School for \$1.00 each, as a way to promote safety when driving. Their slogan is #alert #alive. A safety tip for not texting while driving is to put your phone in the glove box or somewhere out of sight to not be tempted until you reach your destination. The student group will also be producing a safe driving video that will be put on Schoology for all students and staff to view. As always, FOCUSED continues encouraging you to be safe on the road!

How to create an FSA ID

The FSA ID — a username and password — has replaced the Federal Student Aid PIN and must be used to log in to certain U.S. Department of Education websites. Your FSA ID confirms your identity when you access your financial aid information and electronically sign Federal Student Aid documents. If you do not already have an FSA ID, you can create one when logging in to fafsa.gov, the National Student Loan Data System (NSLDS®) at www.nsls.ed.gov, StudentLoans.gov, StudentAid.gov, and Agreement to Serve (ATS) at www.teach-ats.ed.gov.

Step 1

When logging in to one of the websites listed above, click the link to create an FSA ID.

Tip: Important: Only the owner of the FSA ID should create and use the account. Never share your FSA ID.

Step 2

Create a username and password, and enter your e-mail address.

Step 3

Enter your name, date of birth, Social Security number, contact information, and challenge questions and answers.

Step 4

If you have a Federal Student Aid PIN, you will be able to enter it and link it to your FSA ID. You can still create an FSA ID if you have forgotten or do not have a PIN.

Step 5

Review your information, and read and accept the terms and conditions.

Step 6

Confirm your e-mail address using the secure code, which will be sent to the e-mail address you entered when you created your FSA ID. Once you verify your e-mail address, you can use it instead of your username to log in to the websites.

You can use your FSA ID to sign a FAFSA right away. Once the Social Security Administration verifies your information in one to three days, or if you have linked your PIN to your FSA ID, you will be able to use your FSA ID to access the websites listed above. For help, visit StudentAid.gov/fsaid.
