 **This Week's Spotlight is on...**  
**Rebecca Hudson**

Fieldcrest High School would like to recognize student Rebecca Hudson as the October Senior of the Month. She was selected by the FHS English Department as a senior who best exemplifies one who represents excellence in all that she does in the area of English. "Rebecca has excelled in her English coursework over the past four years," states English Instructor Rebecca Cope. "She writes with incredible analytical skills and is a valuable contributor to class discussions. Not only is her own work of the highest quality, but she is a tireless advocate for other students. She is in the Writing Center daily taking initiative and helping students with their writing skills even when she is unfamiliar with the topic the student is working on."

Rebecca will receive a cash award of \$50 from Minonk and Toluca Community Bank, proud sponsors of this years Senior of the Month and Senior of the Year program. Special Thanks to them for making this possible.

Have a Happy and Healthy week! God Bless!

William Lapp, Principal

# Scenes from IHSA Regional Cross Country

In spite of losing four of their top seven runners to graduation the Knights were able to put together a strong team in 2020 and advance out of the 15 team St Bede Regional in fifth. They were lead by Mason Stoeger, Christian Skaggs and Tanner White. They will race in the Seneca sectional on Saturday, October 31. Under normal circumstances Claire Phillips would have advanced as an individual on the ladies side, however with the Covid rules of having less advancers she, along with the rest of her teammates, ended their season on Saturday.
