This Week's Spotlight is on...
 **Mr. Isaiah Tubbs**

This week, Fieldcrest High School would like to introduce and welcome Mr. Isaiah Tubbs to the high school family for 2020-2021. Mr. Tubbs comes to us from Illinois State University, where he did his student teaching. A graduate of Lasalle-Peru High School, he was a standout basketball player at Illinois Valley Community College. His passion for sports extends into the professional arena as he enjoys watching Illinois pro teams including the Bears, Cubs and Chicago Bulls. He also enjoys trivia and learning about local history. Mr. Tubbs will be teaching US History and Government at FHS and was recently named the Fieldcrest Girls Basketball JV Coach for 2020-2021. Welcome to FHS Coach Tubbs!

Have a great start to the new year! God Bless!
 William Lapp, Principal

News and Notes

- **It was another great week at Fieldcrest High School.** We would like to thank the students and parents for helping to make the start of school such a positive experience. The continuous procedural changes, modifications and updates can be confusing as we stay current with CDC and IDPH guidelines. Your patience and understanding has made all of the difference. Thank you again!

- **School Update...** As you read in the district communication last week, we will be continuing to follow the current 1:00 districtwide dismissal for the remainder of the fall semester. With this decision, the high school has made a few modifications to its schedule and organization to better accommodate the efficiency of instruction, staff use and supervision of students.

1. When arriving at the beginning of the day, the west door near the flagpole will be closed. Walkers will now be asked to enter the lobby doors with the drivers. This will allow more staff to be available for students who need instructional support in the morning.

2. The daily schedule was modified to allow clearing of the hallways to better practice social distancing at the end of the day (see page 2 of *Happenings*). Students who drive or walk to school AND are not eating lunch at school, will be dismissed from class at 12:35. Those students are asked that when they leave the building, not to return. The exception are those students who may have an appointment to work with a teacher after school. Students eating lunch and/or riding the bus after school will be dismissed at 12:40. At that time, ALL remaining students will report to the lower level of the high school. Students eating lunch will report to the cafeteria and those not eating will report to rooms 107/108 (the old study hall). Students eating lunch may ask cafeteria supervisors to eat outdoors. Remaining students are NOT allowed to leave campus prior to catching the bus. Students wishing to eat should eat in the cafeteria or bring their lunch.

3. Remote Learners will be given a specific weekly schedule for core "classtimes" to help lessen conflicts when meeting with teachers. Look for an email update from Mrs. McNamara.

- **Parking Reminder:** General student parking is limited to the large area on the northeast corner of the lot as well as one small area for early arrivers in the center lot. Students are asked NOT to park on the gravel lot.

FHS Fall Semester Schedule

12:40 (Students eating lunch/Bus riders)

*Periods are 60 minutes in length/Block Setting

***BACC and Work Coop** students who have no 5th or 6th hour class should report to the cafeteria for lunch and study time. (Students should NOT leave campus).

*Lunch will be provided from 12:35 to 1:05. Students who walk or drive that choose NOT to eat are allowed to leave at 12:35.

*With no homeroom, scheduled meetings will need to be held before school, after school, or during a student's lunch.

*After school activities will be conducted AFTER 3:00 PM, unless informed otherwise. They will also be conducted under the guidance/recommendations of the IHSA and health department. Please stay in contact with your coaches/sponsors for updates.
